

Scituate Garden Club -- 2022 Bulbs

ELWESII Snow Drop

Earliest of spring bloomer - as soon as the snow is gone. Bee loved, deer & rodent resistant. 6" tall, bell flowers that hang downward. Hardy, rapidly naturalizes. Plant under trees or rock gardens or anywhere!

Evokes a strong sense of peace and tranquility!

TAHITI DAFFODIL

Easy to grow, 4" flower lasts up to 4 weeks, Great show flower, 14 -16" tall, Late mid-spring bloom. Multiple rows of soft yellow petals with orange inside gives a tropical twist. Pleasant fragrance, naturalizes. Deer/rabbit/squirrel resistant. Sun/part shade. Good for mass plantings/containers and cut flowers.
